Dear Sir:

This letter is an Information Disclosure Statement pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98, and is being submitted prior to both the expiration of three months from the filing date and the receipt of the first office action for the above referenced application.

Attached is form PTO/SB/08a listing 30 United States patents and 9 foreign patents that may be of interest to the examiner or considered relevant in determining whether the subject matter claimed in the above-referenced application is patentable. Under the provisions of 37 C.F.R. 1.98(d), submission of copies of the cited patents is not required.

Applicant, by submitting the above references taken alone or in combination, neither represents nor admits that such references anticipate or render obvious the present invention. Consideration of the foregoing in relation to this application is respectfully requested. Applicant

accordingly reserves the right to challenge any reference to the submitted and identified documents as prior art.

Consideration of the foregoing in relation to this application is respectfully requested. It is requested that the information disclosed herein be made of record in this application.
